

THE ROSEN

2 BDRM BUNGALOW

Live beautifully in simple elegance. The Rosen offers open spaces making this the ultimate in streamlined living and elevated entertaining.

This 2-bedroom bungalow features high ceilings, with a parity of both modern & classic details throughout, a chef's kitchen, a serene primary bedroom with luxury ensuite, welcoming great room and dining space.

The lower level is where you can expand your living space by 1308 sq. ft. and have flexibility in your purchase price! You can add up to 2 bedrooms or customize a home gym, make your dream office, and add a rec room with the ever-convenient wet bar.

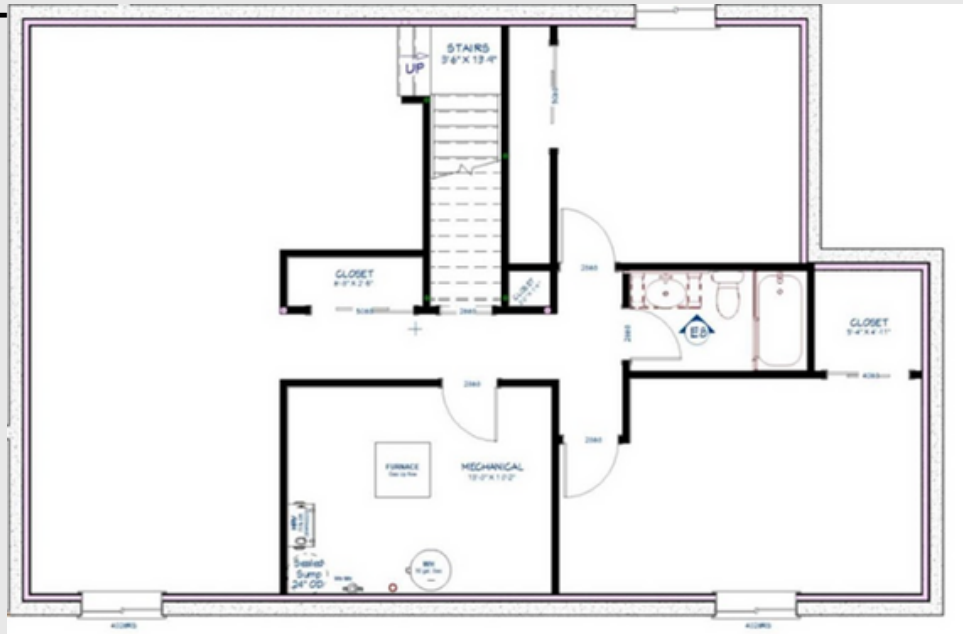

The triple garage can be reimagined to suit your needs such as storage or workshop.
